

# All Right Now

There she stood, In the street  
Smilin' from her head to her feet  
I said "Hey, what is this?" Now baby  
Maybe she's in need of a kiss  
I said "Hey, what's your name baby?  
Maybe we can see things the same"  
Now don't you wait or hesitate  
Let's move before they raise the parking rate.

All right now, baby it's all right now,  
All right now, baby it's all right now.

I took her home, to my place  
Watching every move on her face  
She said "Look, what's your game, baby?  
Are you tryin' to put me in shame?"  
I said "Slow, don't go so fast,  
don't you think that love could last?"  
She said "Love? Lord above!  
Oh! Now you are tryin' to trick me in love"

**All right now, baby it's all right now,**
