

## **English Summer (Words&Music Teye 1976)**

### **1. Hey You Mind your bollocks**

I'm comin' over, guitar in hand

I'm good, I'm loud and I'm Teye

Watch it now!

(chorus:) London's out of sight NO NO NO

Hungry is the night NO NO NO

London dreams are crazy, In an Angry Summer

### **2. Neighbor girls they turn me on**

But daddy looks kinda strong,

Another lonesome night

Thank you Alf

(chorus)

### **3. Daily gear hunt on Denmark Street**

I miss the Pistols by a hair

Hungry days and hungry nights;

I'm not ready

(chorus)
